Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the **Azusa Avenue Pedestrian Handicap Accessibility & Signal Synchronization Improvements Project** in fiscal year 2023.

The entity to receive funding for this project is the **City of West Covina**, located at **1444 W. Garvey Avenue South, West Covina, CA 91790**.

The funding would be used for pedestrian handicap accessibility and signal synchronization improvements along Azusa Avenue, a central corridor within the city limits of West Covina, CA. The project will identify existing obstacles limiting accessibility and ensure that facilities and elements within the public right of way are made accessible to all individuals. The proposed section of Azusa Avenue is approximately four miles long and will begin at West Badillo Street and end south of Amar Road. The project includes an ADA transition plan and a phased construction of the improvements and/or rehabilitation of the identified elements along Azusa Avenue.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

*Grace F. Napolitano*
